

Remembering Reverend Father Frederick J. Terry

We wanted to send our sincere condolences to all the family of Father Fred. He was a wonderful person to have known for so many years. He always had a story to tell whenever you were in his presence. He was such a gentle individual that was always so kind to everyone. My parents and Father Fred were always good friends for many years. My dad would always remind him of his age since his birthday was in April and Dad's birthday was in February and they were born in the same year. Father Fred would say Luke don't remind me.. He will certainly be missed.
