Our thoughts are with everyone home and I wish we could come there to be with you. My memories of Uncle John from my childhood to adulthood will remain with me and my boys. Dad and Uncle Frank are having a great yarn with him now.... Love from Donna XOXO

Another neighbour and friend, John, has passed away, and is now resting peacefully with loved members of his family. Many of our neighbours have passed on but will always have great memories of them - especially telling them it was your Birthday - always a treat waiting. Our deepest sympathy to all his family, especially Joseph, Agnes and family, and to Michael. God Bless and hugs! Carmelita, Jacinta, Clint and families
